

## Surety Bond Kit

With the ease and access to a bond kit, you ensure full compliance with a city, village, or municipality's requirements for work in Illinois, Indiana, Michigan, Missouri, and Wisconsin. Avoid having to wait on your broker for a specially notarized bond as a hurdle to start your project work!

## Three Critical Questions Addressed

### Who Needs A Bond?

- General Contractors
- HVAC/Mechanical
- Electricians
- Plumbers
- Roofers
- Decks/Fencing/Pool/Sheds
- Excavators
- Street & Road Contractors
- Asphalt Paving Contractors
- Boring/Utility Contractors
- And More!

### When Will You Need It?

Bonding will be required in every city or county where work is performed. If the work is located across a large geographical region, that means numerous licenses and permit bonds to be on site and perform the required work.

### Why Horton's Product?

We offer a five-pack license/permit bond kit at half the price and fully compliant with each city, village, or municipality in IL, IN, MI, MO and WI. You won't need to wait on your broker to call and request the bond - nor wait on the original notarized piece!

*Please note each license/permit bond has a limit of \$25,000.*

The screenshot displays the Horton online payment portal. The main heading is "Make a Payment" with a sub-instruction: "Please enter your payment information below". The form includes several input fields: "PAYER" (with a "Payer" placeholder), "EMAIL ADDRESS" (with an "Email Address" placeholder), "INVOICE NUMBER" (with a note: "If you do not have an invoice number, please type BINDER"), "AMOUNT" (with a "0.00" placeholder), and "RECURRING PAYMENTS" (with radio buttons for "No" and "Yes"). Below these are fields for "Start Date" and "End Date" (with "When Cancelled" selected). To the right, there are two payment method options: "ACH" and "Credit Card". The "Credit Card" option is highlighted with a red circle and a red arrow pointing to the text "Easy to navigate online payment portal!". Below the payment methods are fields for "Bank Account Holder", "Routing Number", "Account Number", and "Confirm Account Number", along with a checkbox "Save my bank account for future use". At the bottom, there is an "ATTACHMENTS" section with an "ADD FILES..." button.

### TO NOTE:

1. The surety requires that the premium for all bond kits be paid up front (before the bonds are released to the client). Therefore, you must send Horton a check prior to getting the bonds or call us to make a payment online.
2. Bond kits are \$225.00 with NO limit as to how many kits you would like to purchase. Each Bond kit includes 5 Bonds.
3. \*\*NOT valid for state bonds or contract, performance, maintenance, subdivision, supply or utility guarantee type bonds. \*\*
4. Each license/permit bond has a limit of \$25,000.
